

PowerPack Mega Series 42 & 45

Stand Alone Power Systems

Seamless, Cordless AC Power ANYWHERE You Need it!
www.newcastlesys.com/powerpack-mega

The **PowerPack Mega Series 42 & 45 Stand Alone Power Systems** provide quiet, seamless AC power for as long as 12+ hours at a time. These sturdy, compact units are ideal for powering computers, printers, POS Systems, scales, testers and any other electronic hardware. At the end of your shift or use, simply plug the unit into a standard wall outlet to recharge. Eliminate the need for extension cords or noisy generators!

Features Include:

- Integrated (6) outlet power strip
- Digital meter with color coded LED displays that provide the status of the battery and confirmation of the power source
- Visual and audible low voltage alert
- Integrated side handles and cord reel holder
- Easy access to slide batteries in and out of cabinet

Typical PowerPack Applications:

Non-powered equipment carts ● Outdoor mobile concessions ● Remote display areas ● Areas where power is not available such as far corners of the warehouse, loading docks, remote storage areas, and much more.
